Volume 22

A Word from Grand Knight Art Krygowski

A happy and healthy New Year to all. Welcome to 2017. I am hopeful you all enjoyed a safe and blessed Christmas with your families and loved ones. The New Year has started, which means we need to begin planning events for the coming months while we have time to do so. All of you are asked to seek out men whom you think would make good Knights of Columbus, and ask them to join us. Every one of you is an untapped resource. We not only need your ideas, we need you to help and follow through. With a little effort we can continue to make this a great council for our parish.

Our brother Fr. Ron is doing very well. His heart procedure was very successful. Thank you for all your prayers and good wishes for him.

Sue Young was chosen by Tom Lawler to chair the Evangelization Committee, and she attended many programs and seminars with Tom before the formal creation of the committee. She is great to work with, very organized, enthusiastic, industrious and knowledgeable. She is looking for new members with some fresh ideas and insights, as the Knights are such a great example of Evangelization by serving the community in so many ways. Sue is asking for a Knight to be a new addition to the Evangelization Committee. I am asking for a volunteer to sit in their meetings on the second Tuesday of each month at 6:30pm. Please contact me if you would be willing to represent the Knights on this committee.

Everyone has received their Dues letter from our Worthy Financial Secretary Ray Ignatowski. Ray has added a questionnaire on the back of the form for you to fill out. Please add (spouse's name and especially E-mail address) or change any information about you that is incorrect. Remember Dues must be

paid by the January General Membership Meeting to be able to attend the meeting.

Our next Euchre Tournament is January 28th. Please contact Steve Kargenian.

Our next Pancake breakfast has been changed from January 8th to January 29th. We will cancel February 19th and reschedule to a later date to be announced. From Ken Krause: I would like to thank the following Knights for their assistance in putting up the outside lights and decorations for the Christmas Season: Mike Hartel, Al Soulliere, Phil Mularski and Gary Skarb. On Saturday, December 10th, Eli Szypa attained Eagle Scout status with the Boy Scouts of America. Eli's Eagle Scout project was the outside stable that highlights the nativity as you enter church. Congratulations Eli on your accomplishment. Also thank you to Hank LeFlere for his assistance in setting up the outdoor stable.

The Journey Men's group is planning a Men's gathering with speaker Peter Herbeck at St. Paul's on June 10th. They would like to invite the Knights of Columbus to participate. They have reviewed this with Deacon Marc, and plan to have a morning Rosary, Mass, and breakfast followed by Peter's talk. The Knights may help or provide breakfast for the Journey Men's gathering in June. More to follow.

THANK YOU!!

To all who were able to attend the Blessing and Dedication of Fr. Lou's tree on December 11th after 11:30 mass, the weather was a little brisk, so Fr. Ron decided to have the Blessing and Dedication in the gathering area. Then the plaque was placed outside at the tree. Thank you Fr. Ron for your prayers and blessing and for continuing to lead us here at St. Paul of Tarsus.

To Jerry Hund, Ray Coughlin and the many, many helpers taking orders, distributing samples and running the pickup before Christmas. Hopefully everyone enjoyed your Holiday Ham & Kielbasa that you purchased from the Knight's.

To Jeff Gapczynski for coordinating the efforts in helping out the food pantry — they were looking for volunteers to deliver food once a month to a food pantry shut-in.

To all who donated Sweatshirts and Gift Cards for HCCS — we had a nice amount of gifts.

To Georgios Sakorafos for putting tips on all 272 wires and to Bruce Arnold, Jerry Hund, Rich Miller and whoever else helped with the “Keep Christ in Christmas” Lawn signs, and for putting up the large signs at the Nativity scene and the North door at church.

To Mike Hartel or Georgios Sakorafos and all who helped pick-up and set-up the chairs from Erie Elementary for our Christmas Masses.

Vivat Jesus

25 Older Adult Truths

1. Bad decisions make good stories.
2. You never know when it will strike, but there comes a moment when you know that you just aren't going to do anything productive for the rest of the day.
3. Can we all just agree to ignore whatever comes after Blu-ray? I don't want to have to restart my collection...again.
4. I'm always slightly terrified when I exit out of Word and it asks me if I want to save any changes to my ten-page technical report that I swear I did not make any changes to.
5. I keep some people's phone numbers in my phone just so I know not to answer when they call.
6. I think the freezer deserves a light as well.
7. I disagree with Kay Jewelers. I would bet on any given Friday or Saturday more kisses begin with Miller Light than Kay.
8. I wish Google Maps had an “Avoid Ghetto” routing option.
9. I have a hard time deciphering the fine line between boredom and hunger.
10. How many times is it appropriate to say “What?” before you just nod and smile because you still

21. Shirts get dirty. Underwear gets dirty. Pants? Pants never get dirty, and you can wear them forever.

22. Even under ideal conditions, people have trouble locating their car keys in a pocket, finding their cell phone, and Pinning the Tail on the Donkey — but I'd bet everyone can find and push the snooze button from 3 feet away, in about 1.7 seconds, eyes closed, first time every time.

23. As soon as you find something at the grocery store that you really like, they will either move it or the company will discontinue it.

Life just gets better as you get older, doesn't it?

VETS Returning Home

I have had several inquiries about giving large appliances like stoves, refrigerators and freezers to the Vets Returning Home program. When these vets leave, they typically move into apartments which already have these appliances. Therefore, the Vets Returning Home organization cannot use these kinds of appliances.

If you have furniture that you wish to donate, they will come to your house for pick-up. The direct number for pick-up is 586-285-6506. When you call they will establish a scheduled time and date for pick-up.

If you have any questions, please call me at 586-469-1997.

Thanks,

Phil Kwasny

The Lighter Side

Sign on the side of the road: Honk if you love Jesus....Text while driving if you want to meet him.

A priest and pastor from the local parishes are standing by the side of the road holding up a sign that reads, "The End is Near! Turn yourself around now before it's too late!" They planned to hold up the sign to each passing car.

"Leave us alone you religious nuts!" yelled the first driver as he sped by. From around the curve they heard screeching tires and a big splash.

"Do you think," said one clergy to the other, "we should just put up a sign that says 'Bridge Out' instead?"

Moses, Jesus, and an old man are playing golf. The first one to tee off is Moses. He smacks the ball and it is heading right for the water before the green. Moses raises his club, the water parts, and the ball makes it to the green. Jesus gets ready to swing, smashes it out, and it is headed for the water. Jesus closes his eyes and prays silently. The ball skips across the water and lands right on the green one foot from the hole. The old man's turn comes and he drives the ball into the sky. The ball looks like it is going to drop directly in the water. A fish jumps from the water swallowing the ball, as a hawk drops from the sky, grabbing the fish. As the hawk flies over the green, a bolt of lightning strikes the hawk, making it drop the fish. As the fish hits the green, it spits out the ball and the ball rolls into the hole, making a hole in one. Jesus looks at Moses and says, "I really think I'm leaving Father at home next time!"

How to Prove Life Begins at Conception Part 6

Call in the experts

Once you have defended the claim that from conception the unborn are biological human beings by using the 10-second pro-life apologist, it is more than appropriate to augment the argument with appeals to relevant authorities. For example, in *Planned Parenthood v. Rounds (2008)*, the Eighth Circuit Court of Appeals found that requiring abortionists to say that the fetus is a “living, separate, whole human being” does not force an abortionist to espouse an unconstitutional religious viewpoint. The court ruled that this statement was a biological fact that even physicians affiliated with Planned Parenthood accept.

Distinguished scientists and philosophers back up the court’s opinion. The standard medical text *Human Embryology and Teratology* states, “Although human life is a continuous process, fertilization is a critical landmark because, under ordinary circumstances, a new, genetically distinct human organism is formed” (8).

Leading pro-choice philosophers agree that human fetuses are human beings. David Boonin, author of *A Defense of Abortion*, writes, “Perhaps the most straightforward relation between you and me on the one hand and every human fetus on the other hand is this: All are living members of the same species, homo sapiens. A human fetus after all is simply a human being at a very early stage in his or her development” (20).

After reviewing several medical and embryology textbooks, I have yet to find a single one that denies that a human embryo is a human organism. Since, by definition, a human fetus is a stage of development for a human organism, I doubt I ever will find such a claim in a serious textbook.

Update Your Beneficiaries

Sometimes it is easy to overlook the simplest of things.

Take, for example, the beneficiaries on your life insurance policies. If your policy was applied for and issued several years ago, it may very well be that the person you originally selected as the beneficiary is no longer the person you would want to receive the policy proceeds. If you bought the policy when you were single, for example, you may have named your parents as beneficiaries. If you have since married, your policies should be updated to reflect your spouse as beneficiary. Maybe you’ve had children since, who are not named on the policies.

Most people list a primary beneficiary, who is specifically designated as the first in priority to receive policy proceeds. We also encourage the naming of a contingent beneficiary, an alternate person designated to receive policy proceeds, usually in the event that the original beneficiary pre-deceases the insured. I routinely call all of my policyholders for annual review appointments, usually near the anniversary date of your policy – that is, the date it was originally issued. One of the matters that I’ll discuss during this review is the status of your beneficiary designations. If they need updating, and they often do, I can complete the paperwork during that appointment. I look forward to meeting with each of you to discuss your family’s needs.
